EXPERIENCE

2024/01 - Present

Wavyrn Audio - Boston, MA (Remote)

Composer, Sound Designer, Audio Editor, Mixing and Mastering Engineer

Founded by a Berklee colleague in January on 2024, I have been working in many different roles related to composing, mixing/mastering music, sound designing and audio editing for lot's of video games, short films and podcasts for clients in the US and internationally.

2024/11 - Present

Freelance

Private Teacher

I teach music theory, composition for video games, music production, film scoring, sound design and audio implementation for video games classes to undergraduate level students in Bogotá, Colombia.

2024/01 - Present

EMMAT - Bogotá, Colombia

Faculty Teacher

I have been teaching classes at EMMAT, a Berklee Global Partner School, at the Composition For Visual Media Department. I'm the professor for the Introduction to Film Scoring and Composition for Video Games classes.

2023/07 - 2024/02

La-Tina Sonido - Bogotá, Colombia

Composer Assistant

I worked in a TV series for VIX called "Consuelo" as composer assistant. My main task was to do the music editing on each episode and deliver the stems to the mixing engineer. I also helped with the spotting notes and with composition for some of the tracks.

2022/01 - Present

Freelance

Composer, Arranger, Sound Designer and Mixing/Mastering Engineer

I have been working since college on lot's of different projects, short films, original music and promotional campaigns for different clients in the US and Colombia. One of them "Evil Within" by Daniel Cuervo was published by Procreate Dreams.

2022/01 - Present

NoiMeGa

Electronic Music Producer and DJ

I have been producing electronic music mainly in the genres of Minimal, House and Deep House under my alter-ego NoiMeGa. I also have been playing as a DJ in private parties and clubs in Bogotá such as Mad Radio, Kyoto Rooftop and Studio 85.

2021/08 - 2023/05

Berklee Global Initiatives

Office Assistant

I worked in the office that is responsible of all programs and Berklee Global Partner schools around the world. My tasks were from uploading social media posts about Berklee programs, organizing and managing documents and files from the office, and responding calls and emails for any questions and concerns
